Important Information about youth and sports

Kids participate in sports primarily because it's fun. Adults need to keep it fun. Some adults get too emotional about youth sports because they are too concerned about how their kids are doing, have the mistaken belief that winning is very important, or have a desire for glory through their kids' success. The desire for their kids' success is part of the concept of living through your kids. Kids need to know that if they're trying their best, they are winners. Parents need to remember that their kids will not be great at everything. Recognizing that, parents can help most by relaxing and enjoying these fleeting years. Placing too much pressure on kids to perform well creates stress that can detract from their fun and can affect their self-esteem. Instructions shouted to players are distracting, usually too late, and sometimes inaccurate or in conflict with what the coach is teaching.

My Pledge to Set A Good Example

I will not be loud or negative towards players, referees, coaches or spectators. I acknowledge that failing to show respect for people who are doing the best they can set a bad example for our children and can result in my expulsion from the contest, and possibly the program. If someone else makes an inappropriate comment, I will not make a negative response that could lead to a confrontation. I will remember that encouragement and praise for every child, not just the best athletes, are critically important to their self-esteem and their ability to achieve the most they can. I will abide by the guidelines and rules of the YMCA Youth Super Sports League and support the Mission of the YMCA.

I recognize that this is a non-competitive league and by displaying an attitude of winning and attempting to keep score and standings, I am defeating the purpose of the philosophy in this league. I understand that sports in general are competitive, however, I recognize and support the "Kids Come First" philosophy and will do my part by not keeping score or standings. I recognize that players must get adequate playing time to improve and gain the confidence that helps them do the best they can. I acknowledge that this is more important than winning games. If I feel that my team lost simply because a player of lesser ability received appropriate playing time, I did the right thing.

I acknowledge that making mistakes and losing are part of life. I pledge that I will be tolerant of the mistakes of players, coaches, referees, and others. I recognize that mistakes are opportunities for learning. I recognize that within the parameters of competition, sportsmanship and fair play remain paramount. I pledge that I will commit to promoting an atmosphere of healthy play to ensure fun for all participants.

I hereby give permission to the YMCA to use indefinitely, without limitation or obligation, photographs, film, footage or tape recordings, which may include my child's image or voice for the purpose of promoting or interpreting YMCA programs.

BY SIGNING THIS ETHICS CONTRACT, I AGREE TO ABIDE BY THIS PLEDGE, THE RICHMOND FAMILY YMCA YOUTH SPORTS PHILOSOPHY, AND THE RICHMOND FAMILY YMCA YOUTH SPORTS RULES AND POLICIES.
