YMCA Communicable Disease Policy

Parents and Families:

The health and safety of our children and staff is a top priority. To mitigate the spread of this virus in our childcare community, we would like to communicate some important changes with you.

The Indiana State Department of Health is working closely with our county health department and the Family and Social Services Administration (FSSA) to monitor the situation closely and is preparing guidance documents for health care professionals and childcare providers to be able to effectively respond to any cases that may be identified in the State.

As instructed by the Family and Social Services Administration, the following policy will be effective immediately:

Each day as you arrive, a YMCA staff will meet you at the door, and then will bring your child to the door at the end of the day for pickup.

If a child presents a temperature over 100.4 degrees Fahrenheit, you will be asked to return home with your child.

Children will be asked to remain home until they are fever free for 24 hours without fever reducing medications, as well as free of other symptoms such as diarrhea and vomiting for at least 24 hours from the last episode.

In the event of a positive case of COVID within our childcare, parents will be notified of a contagious illness by phone/email by Y-Care Staff Members.

The health department will be notified of any communicable diseases as outlined on the communicable disease chart as well.

We will be continuing to promote proper handwashing, continuing to have kids wash their hands multiple times throughout the day, and will follow rigorous cleaning procedures as outlined by the Family and Social Services Administration current guidelines.

You can assist us by remaining vigilant but sensible in your approach to dealing with this health concern. Please contact our site director if you have any questions or concerns regarding this new policy.

Sincerely,

Ryan George

Director of After School Care

Discipline/Guidance Policy

Provider Name: Richmond Family YMCA

It is very important a child is nurtured through caring, patience, and understanding. However, while caring for your children, we may have to respond to your child's behavior. Hitting, kicking, spitting, hostile verbal behavior, and other behaviors which will hurt another child will NOT be permitted.

In response to these behaviors, we will NOT use:

- Threats or Bribes
- Physical punishment, even if requested by the parent
- Deprive your child of food or other basic needs
- Humiliation or isolation

In response to these behaviors, we WILL:

- Respect your child
- Establish clear rules
- Be consistent in enforcing rules
- Use positive language to explain desired behavior
- Explain calmly while meeting your child at eye level
- Give clear choices
- Redirect your child to a new focus/activity
- Move your child to a time out chair for no more than one minute per year, if necessary

If your child's behavior is very harmful or disruptive to either themselves or others, we will discuss the issue with you privately. If the situation can be resolved, your child is welcome to remain enrolled. If the situation cannot be resolved, you may be asked to make other childcare arrangements.

As a parent, you may have concerns, or wish to offer suggestions. You may meet with the Director/CEO, and amendments could POSSIBLY be made to this agreement. Please list any other techniques to be used with your child on the lines below.
